INSTANT REPLAY

Building On The Past . . .

The three Puppeteers....

Would anyone care for dessert?

My finger is stuck in my ear.

I've always wanted to hold up a bar.

Sew what?!

Your purse doesn't match what you're wearing, Fred.

She said I could take her French fries!

Ugh-h-!! Who threw that?

This is all one string!

Hooray for Hollywood!

Until ... Free At Last
